#### LOUISVILLE IS THRONGED

ACCOMMODATIONS OF CITY TAXED BY GREAT GATHERING OF RACING FOLK.

Interest in Outcome of Great Derby Contest at Churchill Downs at Fever Heat-Belief General That Governor Gray or Meridian Will Win.

Louisville, Ky., May 12.—If favorable weather prevails tomorrow, and the indications point that way, it is expected that 60,000 persons will witness the running of the thirty-seventh Kentucky Derby, which will feature the opening of the Churchill Downs meeting of twenty-three days. Never before has interest in racing here been so pronounced. Louisville and its vicinity tonight is figuratively "Derby mad." From every section of the country have come numerous lovers of the thoroughbred to view tomorrow's struggle between the luminaries of the three-year-old division, and late arrivals will find it difficult to secure satisfactory accommodation, for the leading hotels are filled to the crowding point. Never before in the long history of racing here has there been anything like the number of first-time visitors or an opening. New York. So. Natherical Chicago. Pittsburg, St. Louis, Indianapolis. Milwankee and Cincinnati will have numerous representatives, while special trains are expected to bring large delegations from Lexington. Frankfort and other cities in Kentucky and Indiana. Automobiles are also arriving constantly with visitors from other cities to swell the already large advance guard of racing enthusiasts who have flocked here during the past forty-eight hours.

Of the 60,000 expected spectators, half of that number probably will avail themselves of the liberality of the Churchill Downs management in throwing open the infield. Thirty thousand is regarded as a conservative estimate of the number who will pay admission and crowd the grandstand clubbrus, will be taxed to the limit. Everything has been put in thorough readiness for the reception of the big throng of visitors at the track and special attention is being paid to their expeditions transportation by the street railway companies.

Interest in a racing way of course centers in the running of the Derby and its probable outcome. Though all carded starters have a following, Governor Gray and Meridian tower above the others in the running of the Derby an

Only light work was indulged in by the Derby brigade this morning. Governor Gray and Meridian were sent three-quarters of a mile in less than 1:19, hard held. Colston went a mile in 1:452, fighting for his head throughout. Mud Sill went three-quarters in 1:182 and Colonel Hogan half a mile in 492.

Heavy clouds threatened rain during the forenoon, but it began clearing during the afternoon and the weather probabilities are that it will be fine tomorrow. The track, while a trifle deep in dust, was again rolled late this afternoon and a continuation of the rolling process during the night, coupled with liberal sprinkling, will make it firm and solid for the running of the Derby.

Most of the day was taken up by the large staff in trying out the new mutuel machines. Speed and accuracy was the main object and the many satisfactory tests made under high pressure were gratifying to manager Mait J. Winn and Charles F. Grainger, who designed and constructed the machines. About five minutes was the average time required by the man in charge of each machine to sell 100 tickets and make change.

There will be thirty machines in use tomorrow, twenty-four in the betting ring and six in the grandstand. Of the twenty-four in the ring, three will be used for preliminary betting on the Derby. These will be of the \$5 denomination and will begin operations at one p. m. In the event that any of the candidates are withdrawn, all money wagered on such will be refunded. In the event of an added starter, his running will operate against the money wagered in the ante-post betting. Three of the machines will be for \$25 straight, place and show bettors. A like number will be for the convenience of \$10 players, nine will be provided for \$5 bettors and six for \$2 bettors. The machines in the grandstand will be for \$25 straight, place and show bettom of the guivalent odds against each horse will be posted on a large blackboard for the guidance of those of the public who look to the auction pools for a line on the favorite. Four calculators, twenty cashiers, six auditors and thirty mutuel machine the test sellers will make up the pari-mutuel department force.

#### THIS IS KENTUCKY DERBY DAY WITH A GREAT RACE NOW IN PROSPECT

Today the good people of Louisville, to say nothing of many others from other parts, will be enjoying the agreeable expectancy of witnessing a race of the kind that engrosses the interest of turf lovers for weeks and weeks in advance of the event. It was once so here in Chicago when for months thousands looked forward to the decision of the American Derby with eager anticipation of pleasure, thrilling excitement and possible profit through the running of that great race. And so it was in New York when a Brooklyn Handicap, a Suburban or a Futurity was approaching its day of fulfillment and the time for arguments over the comparative merits of the equine candidates was about to merge into the decisive test of the actual struggle. The two greater communities are now deprived of the capitating sensations attendant upon viewing high-class horses in noble striving, but the Kentuckian have preserved their sporting independence and to them Kentucky Derby day is still annually the greatest day in the calendar.

There is this point apparent in this year's Derby. Its probable contestants are better three-year-olds than have met in it for a number of years and if the day is pleasant and the track at its best a new record for the race may be confidently expected. Governor Gray and Meridian, in their titanic struggle at Lexington last Wednesday, clearly presaged this. Round the World is a remarkable filly under very shrewd management and will only succumb to something excessive in the way of speed. Colston was expected to prove one of the crack two-year-olds of last year and failed to do so, but has been working in a way this year suggestive of a possible redemption of his early promise. And the others can go some. So all around there is every element conducive to a record-breaking affair in the thirty-seventh renewal of the Kentucky Derby and, quite probably, to a record-breaking affair in the thirty-seventh renewal of the Kentucky Derby is not a true Derby in the matter of distance, but it is the best we have now and its l

the idea of witnessing the running of the Derby, was recalled to New York this afternoon by pressing business.

Mars Cassidy arrived from Lexington late this afternoon, having motored over.

John W. Schoerr, who came here at the head of a large delegation from Memphis, announced that he has in Star Charter the winner of the Latonia Derby. The colt has benefited vastly by his long rest since his arrival from Jacksonville.

The arrivals from New York tomorrow will include T. H. Williams, president of the New California Jockey Club, J. G. Follansbee, Price McKinney and others.

There is some doubt of W. Brannon riding Jack Denman because of an outstanding fine of \$100 against him, imposed by Judge Price last fall for rough riding.

Capt. J. T. Williams tonight announced that barring accident Governor Gray is the nearest thing to a certainty that there can be in horse racing, and that he considers even money a liberal price against his chances.

### ST. BASS AGAIN WORKS SENSATIONALLY.

ST. BASS AGAIN WORKS SENSATIONALLY.

Toronto, Ont., May 12.—The most remarkable work ever done from a time standpoint in preparation for the King's Plate was the journey by St. Rass this morning over the full distance in 2:10\( \text{3.}\). The record for the race is 2:10\( \text{4.}\), made by Shimonese two years ago, and none of the many good horses that have won the Guineas ever showed such a performance as that of the Bassetlaw colt this morning. All the conditions of track and weather were as good as could have been ordered. Dalton McCarthy rode the work and the colt carried about 115 pounds. His weight in the race is 108. He went the first mile in 1:43\( \text{5.}\) and the mile and an eighth in 1:50\( \text{5.}\). St. Bass, though troubled with a slight soreness after his last work, came out of today's effort without the slightest sign of any aliment.

The Seagram pair, Jane Shore and Havrock, worked in 2:15\( \text{5.}\), going the first mile in 1:45\( \text{5.}\). The Valley Farm champions, Powderman and Legislator, did their turn in 2:14\( \text{8.}\). Miss Martimas worked in 2:15\( \text{5.}\), All six of the platers had something in hand, Havrock being most extended of the lot. The work of the Bassethaw colt created great enthusiasm among his supporters, and he will be a strong contender with the Valley Farm entry for public favoritism one week from tomorrow. In what little betting has been done here on the race St. Bass was a 4 to 1 chance. Ante-post betting has gone out of favor, though, and the wagering is exceedingly limited until race day.

J. E. Seagram's good mare. Bouquet, the star of the stable, has been retired on account of the return of her old trouble in the tendons, and will be sent to the farm at Waterloo.

On a course like Woodbine, which has only limited stabling accommodation, it is not easy to provide for such establishments as that of S. C. Hildreth, who intends to race twenty-six horses here. The best arrangement that could be made was to provide fourteen stalls inside the groun

from Pimlico before the closing day at that track is reached.

The Dyment horses, twelve head, have arrived from Barrie, headed by Chief Kee, which is being pointed for some of the cup races. There is no King's Plater in the lot this year, but plenty of good material for next season. The horses are forward in condition, the mile track at Brookdale Farm being in good order all spring. The other horses include Solid Comfort, Coal Shoot and Broganza, three-year-olds, and Marcovil, Heresy, Tropacellum, Rush Order, Sealed Order, Trixie Leroy, Franchise and Orion, two-year-olds.

Joseph McLennan, one of the official staff, has arrived from Chicago and has taken up his work at the Canadian Racing Associations offices.

expects no serious results from the accidents of Wednesday and Thursday. Jockey Bryan Steele was able to leave the hospital this morning and is at the home of his parents here. Jockey Mountain, he says, will be able to sit up in a couple of days. There is no evidence of any serious injury and the physician says that as soon as the soreness is out of his muscles Mountain will recover rapidly. Jockeys Molesworth and Moore, both with broken collar bones, and the former with a fractured wrist also, are resting comfortably.

The stables of J. N. Camden, J. C. Milam, W. J. Young, W. L. Lewis, E. R. Bradley, Gallaher Brothers, George Odom, Max Hirsch and part of the Carman stable were shipped to Louisville today.

Racing Secretary W. H. Shelley, pool auctioneer John McLaughlin and many others went to the Falls City this afternoon to be ready for the opening at Churchill Downs.

Special trains will be run on all the roads from Lexington and other Blue Grass points to Louisville tomorrow, and they will take from this section probably the largest crowd that ever gathered at the Downs to see a Derby run.

The statement from Louisville that Isaac Murphy rode Salvator when he made his record of a mile in 1:35; at Monmouth Park, August 28, 1890, was incorrect. Murphy rode the horse in all the rest of his starts that year, but Marty Bergen had the mount on the occasion of the horse's famous trial against time.

Henry Weber, for years superintendent of the Latonia race track, died Thursday at the St. Elizabeth Hospital in Covington, Ky., of paralysis. He was connected with the course for about ten years and succeeded the late William Webb. He planted many of the beautiful trees, shrubbery and other plants that have helped to beautify the course.

Starter William M. Murray has been appointe general manager of the half-mile track of the Nis gara Falls Driving Park Racing Association at Nis gara Falls, Out., where it is proposed to hold rac meetings this year. Mr. Murray announces that the course will be converted into a regulation mil track for next season's racing. He has a five-year contract with the association.

#### OGDEN EXTENSION MAY NOT BE APPROVED.

Ogden, Utah, May 12.—Scratches marred the eard for today, but fairly good racing resulted. Three of the public choices were successful. After investigation of the ride given Gomul by jockey Gilbert May 9, the judges decided that the boy was not to blame and revoked the order of suspension. Jockey Ines was suspended indefinitely for rough riding in the fifth race, in which he nearly put Doc Allen, the favorite, over the fence in the early running and effectually disposed of that horse's chances. Jockeys Borel, Cavanaugh and Rosen were suspended for three days, Spargur for ten days and Benjamin for six days by starter Haley for disobedience at the barrier.

## PUGGINS IS DISQUALIFIED

PURSE TAKEN AWAY FROM JUVENILE THAT FINISHES FIRST AT PIMLICO.

Bad Start, of Which Firestone Is the Victim. Cause for Complaint-Bouncer Scores Third Time for Thomas Hitchcock, Jr.

Baltimore, Md., May 12.—There were numerous happenings out of the ordinary at Pimilico this aftermoon. There was a disqualification, the first of the meeting. Then there was a wretched start, made directly in front of the grandstand, in which the field was sent away in straggling order, with two of the five starters left. One of the unfortunate ones happened to be the well backed favorite, Firestone, and naturally there was much complaint on the part of the horse's backers. When the barrier was sprung Firestone wheeled and Chester Krum also propped. The mile was run in 1:39, which equaled the track record for the distance. Considering the poor sendoff that the winner received, his performance was really remarkable.

The disqualification of Puggins in the second race did not meet with general approval. The youngster swerved in front of his company in the final furlong, but it did not look as if there was any interference. It was certainly an unfortunate thing for the coli's backers, as he was easily best.

Bouncer scored her third straight victory for Thomas Hitchcock, Jr., when she beat Cherish a neck in the third race, a dash of a mile. The Hitchcock horses are in forward condition this spring and W. H. Karrick should win a share of the purses with them at Churchill Downs.

James Hewitt is the latest to announce an intention of shipping to the Lagoon Park course near Salt Lake City. He will send Eagle Bird, Pocotaligo and Double Five.

The Louisville delegation from here will be made up of William H. Karrick, two cars; James Blute, one car; T. F. Coles, one car; James Fitzsimmons, one car; E. B. Cassatt, one car, and E. Gaylord, one car.

Silas Veltch will send his horses back to Benning and W. Martin will ship his string to Montreal. Those going to Toronto are S. C. Hildreth, three cars, and the following with one car each: William Garth, August Belmont, W. F. Presgrave, A. G. Weston, M. J. Daily, J. S. Tyree, Gwyn Tompkins, W. A. Burttschell, M. C. Prichard, R. T. Wilson and A. Simons.

Jockey McIntyre left for Louisville last night. He will ride for O. A. Bianchi during the Churchill Downs meeting.

He will ride for O. A. Bianchi during the Churchill Downs meeting.

G. E. Hall will leave for Louisville Monday night with W. H. Karrick. He is taking along his good apprentice, Dunn, who will do Mr. Karrick's lightweight riding on the Kentucky tracks.

William A. Porter received a letter from Belgium a few days ago, which says that Stanley Davis, who went abroad to ride for Theodore Meyers, is meeting with great success. During the first fifteen days he rode in Belgium he landed seven winners. He went to Holland last week and won an important stake race there. Lucien Lyne also rode a winner at the same place the same day.

## KING GEORGE AT THE RACES.

London, Eng., May 12.—That the period of official mourning for the late King Edward is really over was demonstrated by the enthusiasm with which King George was greeted at the Newmarket race course this week. This was the first time since he was Prince of Wales that his majesty had entered a race course, and the cheering which marked his progress from the outer gate to the royal enclosure was fully as marked as that which formerly greeted King Edward. The royal enclosure was decorated with the king's racing colors and cut flowers. His majesty was accompanied by the members of his immediate suite and in honor of the event two of his immediate of the former progress of the former poorly. Marbeau and Pintadean, were started in the Juvenile Plate of \$1,000. They performed poorly, however, and finished in the ruck, the race being won by Lord Rosebery's Charmian, a filly by Cicero.
